1. Background Information

About the school

- 1.1 Brooke Priory School is an independent co-educational day school. Founded in 1989, the school moved to its current site close to the centre of Oakham in Rutland in 1996. The school is owned and managed by a sole proprietor.
- 1.2 Since the previous inspection, changes have been made to the management structure including newly appointed members of the management team.
- 1.3 The school consists of three sections: the Early Years Foundation Stage, (EYFS) for children aged two to five years; the pre-prep, for pupils aged five to seven years; and the prep, for pupils aged seven to eleven years.

What the school seeks to do

- 1.4 Brooke Priory School holds at the heart of all it does the importance of every pupil's individuality. The school aims to foster positive relationships and a sense of belonging within the school community, provide a world of opportunities and demonstrate excellence in teaching and learning. The values of friendliness and happiness, confidence, respectfulness, hard work and resilience, honesty and teamwork are central to all aspects of school life.

About the pupils

- 1.5 Pupils come from a wide range of backgrounds, mostly from families living within a 20-mile radius of the school. Standardised assessment data provided by the school indicate that the ability of the pupils in the kindergarten, pre-prep and prep is broadly average for pupils taking the same tests nationally. The school has 14 pupils who have special educational needs and/or disabilities (SEND), 13 of whom receive support from either a specialist teacher or a speech and language therapist. One pupil has an education, health and care plan. Three pupils speak English as an additional language but do not require additional support. The more able pupils are supported through differentiated tasks and increased levels of challenge within the curriculum.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Key findings

- 2.1 The school meets the standards in the schedule to the Education (Independent School Standards) Regulations 2014 and associated requirements, and no further action is required as a result of this inspection.**

- 2.2 The school's own framework for assessment confirms that teaching enables pupils to make good progress in the context of Part 1 paragraph 3(a).
- 2.3 The curriculum is documented, supported by appropriate plans and schemes of work for the pupils and covers the required breadth of material. The teaching enables pupils to make good progress, encompasses effective behaviour management and is supported by suitable resources. A suitable framework for the assessment of pupils' performance is in place.
- 2.4 Pupils receive relationships education. The school has consulted parents and published a written statement of its policy which has regard to the relevant statutory guidance.
- 2.5 The standards relating to the quality of education [paragraphs 1–4] are met.**

PART 2 – Spiritual, moral, social and cultural development of pupils

- 2.6 Principles and values are actively promoted which facilitate the personal development of pupils as responsible, tolerant, law-abiding citizens.
